RICHMOND BY-LAWS.

A BY-LAW

To provide for dyking the eastern part of Lulu Island, of the Township of Richmond, and for borrowing, on the credit of the Municipality, the sum of \$1,737.65 for completing the same.

(Provisionally adopted the 20th day of August, A.D. 1904.)

WHEREAS a certain dyking and drainage scheme was carried out in the eastern portion of Lulu Island under the Lulu Island Local Improvement By-Law, 1891, as amended by the Lulu Island Local Improvement By-Law, 1891, Amendment By-Law No. 1:

And whereas a certain portion of said dyke and the flood-box in the canal at No. 6 Road have been carried away and require to be re-executed:

And whereas a majority in number and value of the owners as shown by the last revised Assessment Roll of the property hereinafter set forth to be benefited by the dyking and drainage have petitioned the Council of the said Township of Richmond that the flood-box at the mouth of the canal at No. 6 Road be replaced at such location as the Council may deem best, and that a new dyke be built from said box east-erly along the Fraser River:

And whereas thereupon the said Council procured an examination to be made by Henry B. Warren, C. E., P. L. S., being a person competent for such purposes, of the said locality proposed to be dyked and drained and has also procured plans and estimates of the work to be made by the said Henry B. Warren, C. E., P. L. S., and an assessment to be made by him of the land to be benefited by such dyking and drainage, stating as nearly as he can the proportion of benefit which, in his opinion, will be derived in consequence of such dyking and drainage by every lot or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in the behalf specially set forth and described, and the report of the said Henry B. Warren, C. E., P. L. S., in respect thereof, and of the said dyking and drainage, being in part as follows:—

"Owing to the bank of the Fraser River caving in along the frontage of Sections 33 and 34, Block 4 North, Range 5 West, and washing out the original dyke and the flood-box at junction of No. 9 and No. 6 Roads being undermined and useless, it would be necessary to change the location of this box to the site marked on the plan near the mouth of slough running through fractional Section 4, Block 3 North, Range 5 West, and construct a dyke from the intersection of Blair's dyke with No. 6 Road to the eastern boundary of Section 33, Block 4, New Westminster, at a distance of two chains back from the present bank of river":

And the said report further sets out the estimate of the cost of said work and the benefit to the lots and portions of lots by such dyking and drainage and the proportion to be assessed and levied in said lots or portions of lots for the carrying out of such work as hereinafter set out:

And whereas the said Council is of the opinion that the dyking and drainage of the locality described is desirable:

Be it therefore enacted by the said Municipality Council of the said Township of Richmond, pursuant to the provisions of the said Municipal Clauses Act and Amendments thereto:—

1st. That the said report, plans and estimates be adopted and the said dyking and drainage and the works connected therewith be made and constructed in accordance therewith.

2nd. That the Reeve of the said Township may borrow, on the credit of the Corporation of said Township of Richmond, the sum of \$1,737.65, being the funds necessary for the work, and may issue debentures of the Corporation to that amount in sums of not less than one hundred dollars each, payable within three years from the date thereof, with interest at the rate of six per cent. per annum, that is to say, the principal sum in three years from the date of said debentures and interest yearly on the 1st day of November, such debentures to be payable at the Bank of British North America in the City of Vancouver, and to have attached to them coupons for the payment of interest.

3rd. That for the purpose of paying the said sum of \$1,737.65, being the amount charged against the said lands so to be benefited as aforesaid, other than the lands belonging to the Municipality, and to cover interest thereon for three years at the rate of six per cent. per annum, the following special rates over and above all other rates shall be assessed and levied upon the under-mentioned lots and parts of lots, and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot, respectively, shall be divided into three equal parts, and one such part shall be assessed and levied as aforesaid in each year for three years after the final passing of this by-law during which the said debentures have to run:

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published*. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending a petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (*see Journals, 1901, page 58*), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.
